## About the Business Golf Society

The Business Golf Society has been designed to appeal to Executives who are keen to develop mutually beneficial business contacts. The opportunity to do this will be provided at some of the North West's premier golf courses, where you will be able to enjoy an afternoon of golf, followed by a meal in the company of like-minded individuals. Sponsorship opportunities are also available at these events—contact Martin Loynd for details. Tel07719639680
